#### What is State GUL Insurance?

**State Group Universal Life (GUL) Insurance** is a type of permanent life insurance with the option for tax-deferred cash accumulation. GUL offers flexible protection and an excellent option for enhancing your family's overall financial security. This coverage will help protect your family against the unexpected loss of your life and income during your working years.

Insurance proceeds may be used as supplemental income for your family to pay off debts such as mortgage or medical expenses, or could be used to pay your funeral/burial costs.

## Can I take my coverage with me if I leave or retire?

If you are no longer employed in a benefit eligible position, you and your dependents may take advantage of the following continuation options. Premiums may be higher than those paid by employees.

Securian Financial will bill you directly for the premiums. If payment is not received, premiums for the cost of insurance will be automatically deducted from funds in your cash value account, if any.

### Hired prior to July 1, 2015

- Portability – If you leave or retire from a benefit eligible position, you will be able to port (take with you) 50 percent of your GUL coverage amount and all Dependent term life coverage in effect as of your last day of employment. Premiums may be higher than those paid by active employees.
- Conversion – You may convert the remaining 50 percent of your GUL coverage amount (based on attained age) into an individual policy, if applied for within 31 days of employment termination or retirement from a benefit eligible position. Dependent term life can be converted to individual policies within 31 days of eligibility expiration (a dependent child aging out) or upon the approval of premium waiver for the employee. Converted rates are higher than ported rates.

### Hired on or after July 1, 2015

Please note: Applies to employees hired, transferred or rehired into a benefit eligible position as of July 1, 2015.
